Application Review Process

Once your application has been submitted, it is routed to the Foundation Review committee. The committee reviews applications every Wednesday. The committee looks for the following criteria when reviewing applications:

- Description of the hardship
- Documentation that directly supports the request

Grant Eligibility Requirements

To be eligible for a grant from the committee, you must meet the following criteria:

- The request must be due to a situation that could not have been foreseen
- You must have completed at least 90 days of employment with Mister Car Wash

Additional Information

Once your application has been reviewed, you will be notified whether it is approved or denied. If it is approved, you will be sent an affidavit that you must sign before receiving your funds, agreeing that you will use the money for the purpose it was intended and to select your preferred payment method. The quickest way to receive funds is by having direct deposit set up with payroll and electing funds to be deposited to that account.
